

Be a part of the Carroll County Remembers Project

“Carroll County: Through the Eyes of the Black Experience”

Stories about Carroll County’s African American families are being filmed and collected in a permanent archive at the Community Media Center.

Excerpts will be broadcast as part of the Carroll County History Project on Public Access Channel 19.

How You Can Get Involved

- *Be interviewed and share your stories, pictures, family bibles, and other keepsakes.*
- *Learn how to conduct interviews and actively interview participants.*
- *Learn how to film the interviews. Volunteers will receive free camera operation, lighting and audio training from The Community Media Center.*

This project has been developed by:

Carroll County NAACP

Carroll County Human

Relations Commission

Carroll County Public Library

The Historical Society of Carroll County

Carroll County Genealogical Society

and the

Community Media Center of Carroll County
